

# OUTWARD BOUND HONG KONG™

## Outdoor Instructor Trainees

### Outward Bound Hong Kong

We are seeking mature, energetic and driven applicants to join our Outdoor Instructor Training Programme. Successful applicants will take part in an intensive course to provide them with the relevant skills and experience to become eligible for employment as an instructor at Outward Bound Hong Kong. This is an accelerated and demanding program that offers international and local perspectives on outdoor adventure education. Our team of instructors at Outward Bound Hong Kong are driven, passionate, and adventurous both in their work and personal lives.

#### Essential requirements:

- Permanent Hong Kong resident
- Good communication skills in English and Cantonese (both written and spoken)
- Strong desire to work in challenging outdoor environments
- Belief in the value and potential of all people
- Personal belief in integrity, authenticity, and being genuine
- Able to work with a diverse range of people

#### Preferred requirements:

- Valid Bronze Medallion Life-saving Qualification, equivalent, or higher
- Valid First-Aid Qualification, equivalent, or higher
- Prior experience in outdoor activities: sailing, hiking, climbing, sea kayaking, rock climbing, etc.
- Prior experience working with people in educational group settings: children, youth, young adults, adults, etc.

Find more information in <http://www.outwardbound.org.hk/careers/becoming-an-obhk-instructor>. Interested parties should fill in the application form [HERE](#) and medical history form [HERE](#). Shortlist potential applicants will be invited for selection programme. Qualified candidates will receive an intensive Outdoor Instructor Training Programme that includes technical, educational, and human skills to work in the field of outdoor adventure education.
